One German Shepherd Dog for the full purchase price of:

\$_____ plus any shipping/transportation or additional related expenses.

This sale is final as of today's date: _____

This is a purebred _____ (sex) whelped on _____

AKC papers have or will be given to the buyer. In the interests of protecting the integrity of The German Shepherd Dog breed, Grünberg Shepherds is selling this dog with AKC Limited Registration. AKC Limited Registration means that the dog is registered but no litters produced by the dog are eligible for AKC registration.

This dog is guaranteed against severe hip dysplasia to one year of age. If such a condition is confirmed, the dog will be replaced with a puppy of equal value to be selected by the seller as soon as one is available. The dog must be X-rayed at the buyer's expense and the X-rays sent to the Orthopedic Foundation for Animals for the evaluation. If the veterinarians there verify severe hip dysplasia, the AKC registration must be returned to us. This guarantee is not transferable.

We also guarantee our puppies against weak temperament or weak nerves. If this claim is made for such a condition, the animal must be returned to us for evaluation.

The buyer also understands that in the event that s/he is unable to provide a home for this dog at any time in the future, that s/he is obligated to notify Grünberg Shepherds and give the breeder the first right of refusal.

The buyer further agrees that the dog will never, at any time, be chained, tied up, staked out or otherwise tethered outside. This action will cause the guarantee to be null and void. The dog will always live in the home as a family member.

The buyer understands that s/he accepts full responsibility for this dog which includes proper training, socialization, nutrition, and veterinary care.

I have received the above described animal and fully understand the conditions of this sale.
